JORDAN DALE

770-630-1199 // jordan.dale2@gmail.com   jordanwdale.com // github.com/Jdale28

With a background as a financial advisor and a journalist, I bring an empathetic, trustworthy demeanor to team environments that's coupled with the data-driven, analytical mind of solo projects. An eye for design and detail.

Eager to grow, learn, and constantly refining techniques and adding more to my repertoire.

TECHNICAL SKILLS	**CORE COMPETENCIES**
React	Conversational Spanish
HTML, CSS, JavaScript	Quick and Constant Learner
Python & Django	Goal oriented and driven
Node, Express, MongoDB, Mongoose	Extremely organized
Heroku deployment & AJAX calls through Axios	Skilled working on a team or individually
Bootstrap, Materialize, GitHub	Familiar with corporate environment; compliance practices
Some Java & Redux experience	Experienced working with a diverse variety of people
